When it's time to move to a new home,
**SAYING GOODBYE CAN BE
HARD TO DO.**

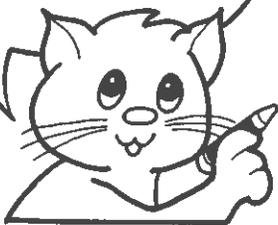

YOU MAY MISS SOME THINGS

about your old home.

Draw a picture of a special person, place or thing to do that you want to remember.

Write down the names and addresses of some friends you want to stay in touch with.

But, moving also means
SAYING HELLO TO NEW FRIENDS.
That can be lots of fun!

YOU CAN LOOK FORWARD

to doing and learning new things when you move.
You may go on a vacation and take a trip, too!

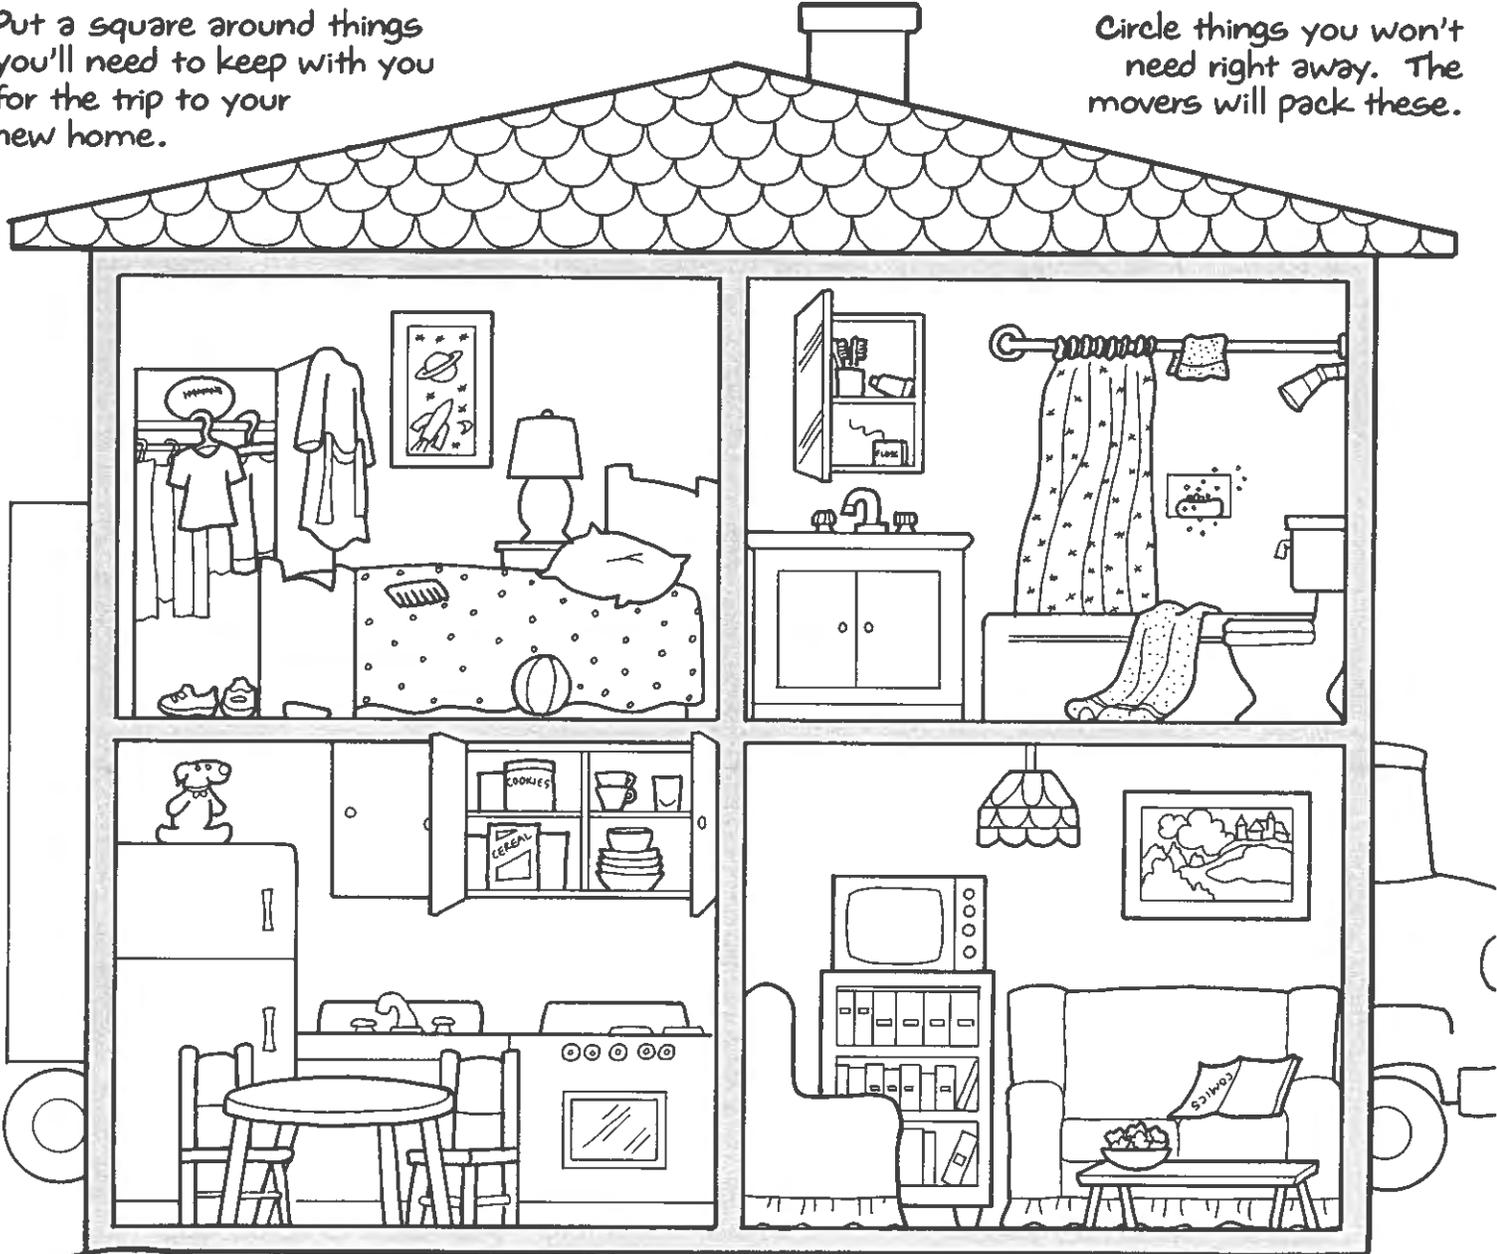

Draw a picture to show what you'll
want to find out about first.

PACKING is a big job.

Put a square around things you'll need to keep with you for the trip to your new home.

Circle things you won't need right away. The movers will pack these.
